

Advice from Parkinson's Wife: A Practical Guide for Spouses, Partners, and Loved Ones

Parkinson's disease is a progressive neurological disorder that affects movement, balance, and coordination. It can be a devastating diagnosis for both the person with the disease and their loved ones. If you are a spouse, partner, or loved one of someone with Parkinson's, you may be feeling overwhelmed and uncertain about how to best support them. This comprehensive guide provides expert advice and practical tips on how to cope with the challenges of Parkinson's, including:

Advice From a Parkinson's Wife: 20 Lessons Learned the Hard Way (Parkinson's Disease Book 1)
