

Am Rosa Parks: Ordinary People Change the World

By Rosa Parks

In her autobiography, Rosa Parks tells the story of her life, from her humble beginnings in Tuskegee, Alabama, to her role as a central figure in the civil

rights movement. Parks is best known for her refusal to give up her seat on a bus to a white man in Montgomery, Alabama, in 1955. This act of defiance sparked the Montgomery bus boycott, which lasted for over a year and led to the desegregation of buses in Montgomery.

Parks' autobiography is more than just a memoir. It is a testament to the power of ordinary people to make a difference in the world. Parks was not a trained activist or a professional organizer. She was a simple woman who stood up for what she believed in, even when it meant putting her own life at risk.

Parks' story is an inspiration to us all. It shows us that we do not have to be famous or wealthy to make a difference. We can all use our voices and our actions to fight for justice and equality.

Quotes from Am Rosa Parks

“ "I have learned over the years that when one's mind is made up, this diminishes fear." ”

“ "Freedom is never voluntarily given by the oppressor; it must be demanded by the oppressed." ”

“ "The only tired I was, was tired of giving in." ”
