Now, for the first time, the complete UPI wire reports from that day have been collected and published in *Bulletins From Dallas*. This gripping narrative provides a unique perspective on the assassination, from the initial reports of shots fired to the confirmation of the president's death.

Through the eyes of the UPI reporters on the scene, readers will experience the chaos and confusion of that tragic day. They will witness the unfolding events firsthand, as they were reported to the world by the journalists who were there.

*Bulletins From Dallas* is more than just a historical document. It is a riveting account of a day that changed America forever. It is a must-read for anyone who wants to understand the full story of the JFK assassination.

### **An Up-Close and Personal Account**

The UPI reporters who covered the JFK assassination were some of the most experienced journalists in the world. They had covered countless major events, but nothing could have prepared them for the chaos and tragedy of that day.

In *Bulletins From Dallas*, these reporters share their firsthand accounts of the assassination. They describe the scene at Dealey Plaza, the aftermath of the shooting, and the hunt for Lee Harvey Oswald.

Through their eyes, readers will experience the full range of emotions that gripped the nation on that fateful day. They will feel the shock and disbelief, the anger and grief, and the hope for a better future.

### **A Unique Perspective**

The UPI wire reports provide a unique perspective on the JFK assassination. They offer a real-time account of the events as they unfolded, without the benefit of hindsight or revisionism.

*Bulletins From Dallas* is an essential resource for anyone who wants to understand the full story of the JFK assassination. It is a gripping narrative that will stay with readers long after they finish reading it.
