About the Book

Cavalry Chaplain is a powerful memoir that recounts the experiences of a young chaplain during the Vietnam War. Written with honesty and compassion, this book offers a unique perspective on the human toll of war and the power of faith to heal and inspire.

The author, Chaplain John Vienneau, was a 25-year-old seminary graduate when he was sent to Vietnam in 1967. He served as a chaplain to the 1st Cavalry Division, one of the most decorated units in the war. During his time in Vietnam, Chaplain Vienneau witnessed the horrors of war firsthand. He saw young men killed and wounded, and he counseled soldiers who were struggling with the psychological and emotional effects of combat.

Despite the challenges he faced, Chaplain Vienneau never lost his faith. He found strength and hope in his belief in God, and he used his faith to help others. He ministered to the wounded and dying, and he offered comfort and support to soldiers who were struggling with the horrors of war.

Cavalry Chaplain is more than just a war story. It is a story of faith, courage, and healing. It is a story that will inspire you and give you hope, no matter

what challenges you face in life.

Reviews

"Cavalry Chaplain is a powerful and moving memoir that offers a unique perspective on the Vietnam War. Chaplain Vienneau's writing is honest, compassionate, and inspiring. This book is a must-read for anyone who wants to understand the human toll of war and the power of faith to heal and inspire."

- Dr. Andrew Bacevich, author of *American Empire: The Reshaping of Global Power*

"Cavalry Chaplain is a gripping and unforgettable memoir. Chaplain Vienneau's story is a testament to the power of faith and the resilience of the human spirit. This book is a must-read for anyone who has ever served in the military or who has been touched by the effects of war."

- General David Petraeus, US Army (Ret.), former Commander of US Central Command and former Director of the CIA

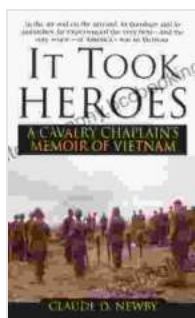

"Cavalry Chaplain is a powerful and inspiring story of faith, courage, and healing. Chaplain Vienneau's memoir is a reminder that even in the darkest of times, there is always hope. This book is a must-read for anyone who is struggling with the challenges of life."

- Rabbi Harold Kushner, author of *When Bad Things Happen to Good People*
