

Harvard Kid Hockey Odyssey: From Central Park to Somewhere in Sweden with Stops

By David Plotz

David Plotz's new book, *Harvard Kid Hockey Odyssey: From Central Park to Somewhere in Sweden with Stops*, is a coming-of-age story about a young man's journey from the ice rinks of Central Park to the hallowed halls of Harvard University. Along the way, he learns about hockey, life, and himself.

Plotz begins his story by describing his early days as a hockey player. He was a small kid, but he had a natural talent for the game. He loved the speed, the physicality, and the camaraderie. He played hockey every chance he got, whether it was on the frozen ponds of Central Park or in the local rink.

As Plotz got older, he began to realize that he had a chance to play hockey at a higher level. He joined a travel team and started to compete in tournaments all over the country. He was a natural leader on the ice, and he quickly became one of the best players on his team.

In high school, Plotz was recruited by several top college hockey programs. He ultimately decided to attend Harvard University, where he played for the Crimson for four years. He was a standout player for Harvard, and he helped lead the team to the NCAA tournament in his senior year.

After graduating from Harvard, Plotz played professional hockey in Europe for several years. He played in Sweden, Finland, and Germany. He also played for the United States national team at the World Championships.

Plotz's book is more than just a hockey story. It is also a story about growing up, finding your place in the world, and chasing your dreams. Plotz writes with humor and candor about the challenges he faced along the way, and he offers valuable lessons about perseverance, teamwork, and self-belief.

Harvard Kid Hockey Odyssey is a must-read for any hockey fan. It is also a great book for anyone who is interested in the journey of a young man coming of age.

Praise for *Harvard Kid Hockey Odyssey*

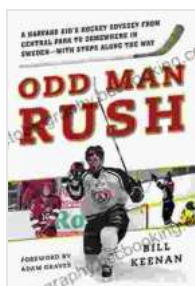

"David Plotz's *Harvard Kid Hockey Odyssey* is a funny, heartwarming, and inspiring story about a young man's journey from the ice rinks of Central Park to the hallowed halls of Harvard University. Along the way, he learns about hockey, life, and himself. This is a must-read for any hockey fan, or

anyone who is interested in the journey of a young man coming of age." -

Jon Hamm

"David Plotz's *Harvard Kid Hockey Odyssey* is a delightful memoir about a young man's love of hockey and his journey to play at the highest level. Plotz writes with humor and candor about the challenges he faced along the way, and he offers valuable lessons about perseverance, teamwork, and self-belief. This is a great book for any hockey fan, or anyone who is interested in the journey of a young man coming of age." - **Mike Milbury**

"David Plotz's *Harvard Kid Hockey Odyssey* is a must-read for any hockey fan. It is also a great book for anyone who is interested in the journey of a young man coming of age. Plotz writes with humor and candor about the challenges he faced along the way, and he offers valuable lessons about perseverance, teamwork, and self-belief." - **Jeremy Roenick**
