In this groundbreaking book, bestselling author and renowned speaker John C. Maxwell shows you how making just one small change can have a ripple effect on every area of your life. From your relationships to your health to your career, Maxwell will show you how to identify the one change that will make the biggest difference in your life and give you the tools and strategies you need to make it happen.

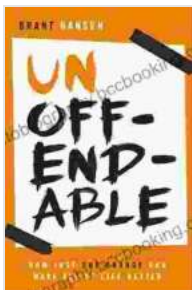

Maxwell's 17 Indisputable Laws of Teamwork have helped millions of people achieve success in their personal and professional lives. Now, in How Just One Change Can Make All Of Life Better, he shares a powerful new principle that can help you unlock your full potential and create a life you love.

This book is not about making drastic changes or overhauling your entire life. It's about making one small, intentional change that will have a ripple effect on everything you do. Maxwell will show you how to identify the one change that will make the biggest difference in your life and give you the tools and strategies you need to make it happen.

If you're ready to make a change for the better, this book is for you. How Just One Change Can Make All Of Life Better will help you unlock your potential, create a life you love, and make a difference in the world.
