Ice Moon: Book One

In the year 2342, the discovery of a mysterious artifact on the icy moon of Europa sets off a chain of events that will forever alter the course of human history. A group of intrepid scientists and explorers embark on a perilous mission to uncover the secrets of the artifact, but they soon find themselves entangled in a web of danger and intrigue that reaches far beyond the depths of space.

Fire Moon: Book Two

As the threat to Earth intensifies, humanity's only hope lies in the development of a powerful new weapon. But the creation of this weapon comes at a great cost, and the fate of the entire planet hangs in the balance. Amidst the chaos, a small group of rebels must band together to prevent the weapon from falling into the wrong hands.

Earth Moon: Book Three

The final installment of the Ice Moon Boxset brings the epic saga to a thrilling climax. Earth has been invaded by an alien force, and humanity faces extinction. The survivors must fight against insurmountable odds to reclaim their planet and restore peace to the galaxy. Witness the power of courage, sacrifice, and the indomitable spirit of humanity as they confront their greatest challenge.

A Must-Read for Science Fiction Enthusiasts

The Ice Moon Boxset is a captivating must-read for all fans of hard science fiction. With its immersive world-building, complex characters, and thought-provoking themes, this series will keep you on the edge of your seat from beginning to end. Experience the transformative power of science and courage as humanity embarks on its most extraordinary journey yet.
