Here is a sneak peek of the novel:

“Anya walked slowly along the beach, the waves crashing at her feet. She had been walking for hours, but she didn't feel tired. The rhythmic sound of the waves was calming her, and the salty air was filling her lungs.

As she walked, she thought about her life. She had been through a lot in the past few months. Her husband had died suddenly, and she had been left to pick up the pieces. She had moved to this small beach town in an attempt to start over, but she wasn't sure if she could.

But as she walked along the beach, she began to feel a sense of peace. She realized that she was not alone. The waves were crashing at her feet, and the seagulls were flying overhead. She was part of something bigger than herself, and she was going to be okay.”
