The story begins with the death of a beloved professor, Dr. James Harrison. His death brings together his four former students, who were also once lovers: Emily, Jake, Sarah, and David.

Emily is a successful lawyer who has always kept her exes at a distance. Jake is a struggling artist who has never been able to forget Emily. Sarah is a single mother who is trying to move on from her past. David is a wealthy businessman who is looking for a second chance at love.

As the four exes gather to pay their respects to their former professor, they are forced to confront the past and the choices they made. They must also deal with their own feelings of love, loss, and regret.

The Exes is a well-written and emotionally resonant novel that explores the complexities of relationships and the power of second chances. Massey's characters are relatable and believable, and their struggles are sure to resonate with readers.
