On April 15, 1912, the RMS Titanic, the largest and most luxurious passenger ship in the world, sank in the North Atlantic Ocean after striking an iceberg. More than 1,500 people died in the disaster, but some 700 survived. Their stories are told in Beth Beckman's gripping new book, *The Titanic: Surviving History*.

Beckman, a historian and author, has spent years researching the Titanic disaster. She has interviewed survivors, studied their accounts, and pored over official documents. The result is a book that is both authoritative and deeply moving.

In *The Titanic: Surviving History*, Beckman tells the stories of the people who survived the sinking of the Titanic. She describes their harrowing experiences, their struggles to survive, and their eventual triumph over adversity. The book is filled with vivid descriptions, heart-wrenching stories, and insights into the human condition.

Beckman's book is more than just a history of the Titanic disaster. It is also a story of hope and resilience. The survivors of the Titanic faced unimaginable challenges, but they persevered. Their stories are a testament to the human spirit and the power of hope.

The Titanic: Surviving History is a must-read for anyone interested in the Titanic disaster, maritime history, or the human condition. It is a gripping, moving, and ultimately inspiring story.
