## Why is it important for toddlers to unplug?

In a world where screens are everywhere, it's more important than ever to make sure that toddlers are getting enough unplugged play. Unplugged play helps toddlers develop their imaginations, creativity, problem-solving skills, and motor skills. It also helps them learn how to interact with others and the world around them.

## **What are some of the benefits of unplugged play?**

- Unplugged play helps toddlers develop their imaginations and creativity.
- Unplugged play helps toddlers develop their problem-solving skills.
- Unplugged play helps toddlers develop their motor skills.
- Unplugged play helps toddlers learn how to interact with others and the world around them.

## **What are some tips for unplugging with your toddler?**

- Set aside some time each day for unplugged play.
- Make sure your toddler has access to a variety of age-appropriate toys and activities.
- Be patient and let your toddler explore and play at their own pace.
- Get involved in your toddler's play and make it a fun and enjoyable experience for both of you.

## **What are some of the activities and games included in Unplugged Play Toddler?**

Unplugged Play Toddler is packed with 155 screen-free activities and games, including:

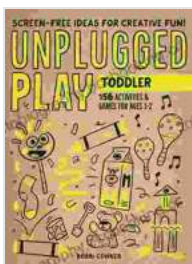

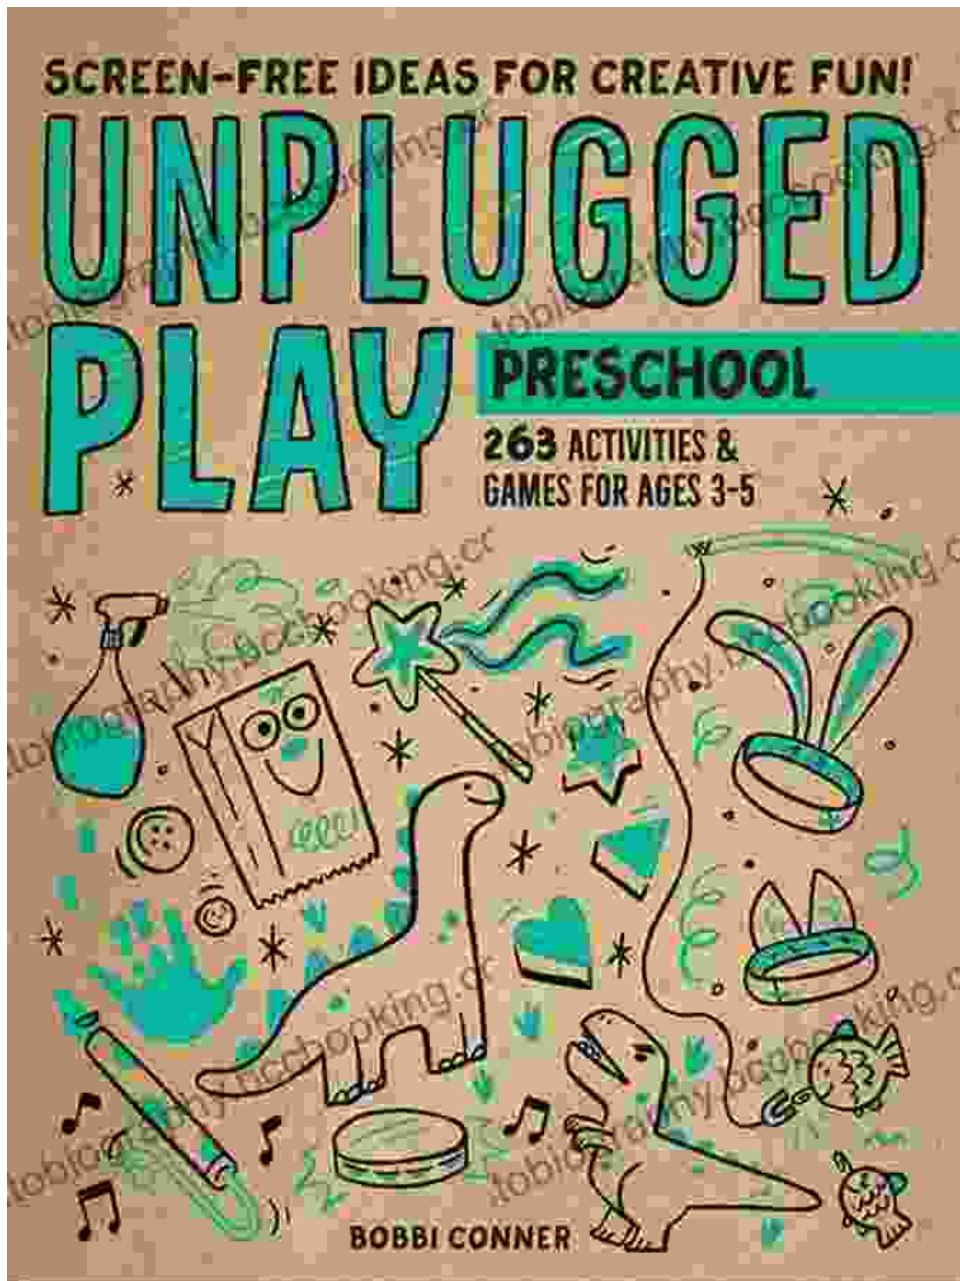

- Sensory play activities
