In the face of oppression and injustice, many of us feel a deep sense of powerlessness and despair. We may feel like our voices are too small to be heard, and that our actions are too insignificant to make a difference.

But what if there is another way? What if there is a way to tap into a deeper source of power, a power that can empower us to resist oppression and create a more just world?

In her groundbreaking book, *The Silent Cry: Mysticism and Resistance*, author Sarah Corbett explores the profound relationship between mysticism and resistance. She argues that mysticism, far from being a passive or escapist practice, can be a powerful force for social and political change.

Corbett draws on the wisdom of mystics from around the world to show how mysticism can provide us with:

- **A deeper understanding of ourselves and our place in the world.** Mysticism can help us to see beyond the superficial divisions that separate us and recognize our interconnectedness with all life.
- **A source of strength and resilience.** When we connect with the divine, we can tap into a wellspring of strength and resilience that can help us to face adversity with courage and compassion.
- **A vision of a more just and equitable world.** Mysticism can help us to imagine a world where all people are free, equal, and respected.

Corbett also shows how mysticism has been used throughout history as a catalyst for resistance to oppression. From the anti-war movements of the 1960s to the civil rights movement in the United States, mystics have played a vital role in inspiring and sustaining movements for social change.

*The Silent Cry* is a powerful and inspiring book that offers a new way of thinking about the relationship between mysticism and resistance. It is a must-read for anyone who is interested in spirituality, social justice, or the power of the human spirit.

## Reviews

“*The Silent Cry* is a groundbreaking book that challenges the traditional view of mysticism as a passive or escapist practice. Corbett shows how mysticism can be a powerful force for social and political change, and she provides a wealth of inspiring examples from around the world.” — **Dr. Cornel West**, author of *Race Matters*

“*The Silent Cry* is a must-read for anyone who is interested in spirituality, social justice, or the power of the human spirit. Corbett’s writing is clear,

concise, and deeply moving. I highly recommend this book.” — **Marianne Williamson**, author of *A Return to Love*

## About the Author

**Sarah Corbett** is a writer, speaker, and activist. She is the author of several books, including *The Divine Matrix* and *The Sacred Fear: A Spiritual Journey of Love and Liberation*. Corbett is a frequent contributor to The Huffington Post, The Guardian, and other publications.
