The novel opens with Alice, a young woman who finds herself at a crossroads in her life. Unfulfilled in her career and struggling with a broken heart, she seeks refuge in the waters of the San Francisco Bay. As she swims, Alice begins to confront her past and explore her own identity. Through her journey, she discovers the healing power of water and the importance of embracing one's true self.

Tsui's characters come from all walks of life, each with their own unique relationship to water. There is Ian, a competitive swimmer who pushes

himself to the limits in pursuit of victory. There is Emily, a middle-aged woman who finds solace in swimming after the loss of her husband. And there is George, a young boy who dreams of becoming an Olympic swimmer.

As these characters navigate the challenges and triumphs of life, Tsui deftly weaves together their stories to create a powerful and resonant narrative. Through their experiences, she explores the universal themes of love, loss, identity, and the search for meaning.

Tsui's writing is both lyrical and evocative, capturing the beauty and allure of water. Her descriptions of swimming are particularly vivid, transporting the reader into the water alongside her characters. She writes of the "cool caress of the water" and the "rhythmic sound of the waves."
